[providing loose parts to support children's play - Play Australia](#)

Special note for schools and early years and childcare settings Loose parts are about real world learning for all children and young people. The process both of introducing them and of playing with them involves collaboration, sharing, thinking, problem-solving and decision-making where the outcome is evident - better play experiences. The impact

## Promoting independence and agency - BCC I

Reading children's cues and responding to them is an important skill for educators to have. This is especially the case with very young children who may not be able to communicate their needs and wishes verbally. Children at the woodwork bench, Dorothy Waide Early Learning Centre. From the NQS PLP Talking about practice series video:
