Flashback Bob Christo 2011-05-14 Robert John Christo; popularly known as Bob Christo; was born in 1938 in Sydney; Australia. After completing his civil engineering in Sydney; he took on projects which involved supporting the military supply lines of the South Vietnamese army and working as construction supervisor on the film sets of *Apocalypse Now*. Led by his instincts; Christo zealously followed one aspiration after another: chasing after a lost spy ship; running an escort service; modelling for African beer; singing in rock concerts; and so on. Bob Christo landed his first film role at the age of sixteen in a German movie; after working as an extra in the Düsseldorf National Theatre; Germany. Hoping to meet Parveen Babi in India; he chanced upon a part in Sanjay Khan's *Abdullah* (1980) and then went on to act in hundreds of Hindi; Telugu; Tamil; Malayalam and Kannada films. In the year 2000 he became a yoga instructor after shifting base from Mumbai to Bangalore; where he passed away on 20 March 2011.

Rajinikanth Naman Ramachandran 2014-01-15 Rajinikanth is, quite simply, the biggest superstar cinema-crazy India has ever seen. His stylized dialogues and screen mannerisms are legion, and his guy-next-door-cum-superhero image has found a hysterically appreciative following among millions of moviegoers. Naman Ramachandran's marvellous biography recounts Rajini's career in meticulous detail, tracing his incredible cinematic journey from *Apoorva Raagangal* (1975) to *Kochadaiyaan* (2013). Along the way, the book provides rare insights into the Thalaivar's personal life, from his childhood days to his times of struggle—when he was still Shivaji Rao Gaekwad—and then his eventual stardom: revealing how a legend was born.

How to Talk to Anyone Leil Lowndes 2003-09-22 "You'll not only break the ice, you'll melt it away with your new skills." -- Larry King "The lost art of verbal communication may be revitalized by Leil Lowndes." -- Harvey McKay, author of "How to Swim with the Sharks Without Being Eaten Alive" What is that magic quality makes some people instantly loved and respected? Everyone wants to be their friend (or, if single, their lover!) In business, they rise swiftly to the top of the corporate ladder. What is their "Midas touch?" What it boils down to is a more skillful way of dealing with people. The author has spent her career teaching people how to communicate for success. In her book *How to Talk to Anyone* (Contemporary Books, October 2003) Lowndes offers 92 easy and effective sure-fire success techniques-- she takes the reader from first meeting all the way up to sophisticated techniques used by the big winners in life. In this information-packed book you'll find: 9 ways to make a dynamite first impression 14 ways to master small talk, "big talk," and body language 14 ways to walk and talk like a VIP or celebrity 6 ways to sound like an insider in any crowd 7 ways to establish deep subliminal rapport with anyone 9 ways to feed someone's ego (and know when NOT to!) 11 ways to make your phone a powerful communications tool 15 ways to work a party like a politician works a room 7 ways to talk with tigers and not get eaten alive In her trademark entertaining and straight-shooting style, Leil gives the techniques catchy names so you'll remember them when you really need them, including: "Rubberneck the Room," "Be a Copyclass," "Come Hither Hands," "Bare Their Hot Button," "The Great Scorecard in the Sky," and "Play the Tombstone Game," for big success in your social life, romance, and business. *How to Talk to Anyone*, which is an update of her popular book, *Talking the Winner's Way* (see the 5-star reviews of the latter) is based on solid research about techniques that work! By the way, don't confuse *How to Talk to Anyone* with one of Leil's previous books, *How to Talk to Anybody About Anything*. This one is completely different!

The Blue Bedspread Raj Kamal Jha 2012-06-20 A midnight phone call awakens a man to inform him that his sister has died in childbirth. He is told he must keep the orphaned baby girl overnight, until her new, adopting parents can collect her. Over the course of that hot night in Calcutta, the man hurriedly writes stories to the baby sleeping on a blue bedspread in the next room: stories of the family she was born into, stories of the mother she will never know. Painting half-remembered scenes, he flits between past and present, recounting tales of the shared childhood of a boy and his sister who muffled their fears in the blueness of that very same bedspread. As the hours pass, the man gradually divulges a layered and transfixing confession of the darkest of family secrets. Described by John Fowles as "remarkable, almost a coming-of-age of the Indian novel," this powerful, penetrating debut by a young New Delhi journalist has already been recognized as an international

literary event. In prose that is breathtaking and precise, Raj Kamal Jha discovers the hidden violence and twisted eroticism of an exotic, overcrowded old city. Unlike the India captured in the exotic prose of Salman Rushdie and Arundhati Roy, Jha writes in a spare, straightforward style that has prompted comparisons to American realists like Raymond Carver and Don DeLillo. *The Blue Bedspread* is a searingly honest story about the love and hope that can survive in the midst of family violence. It is a first novel of extraordinary power and humanity.

Asha Parekh The Hit Girl Khalid Mohamed 2017-04-10 Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumnus of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer *Dil Deke Dekho*. Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the '70s – felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines – she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baaje Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai.

The Kiss of Life Emraan Hashmi 2016-04-11 How do you deal with the most difficult moments in your life? Every experience that we go through changes us and helps us grow. As we learn to laugh and cry, win and lose, share and care, the meaning of life and true happiness unfolds before us. Known for his bold forays into Bollywood, Emraan Hashmi walks us through his memories that have shaped him—from a confused teenager who dabbled in a variety of things to finding his calling to the suave, smart and unorthodox actor he has become today. At the heart of his story lies the most important and transformative experience of his life—the period when his son, Ayyan, was battling with cancer. It reveals the man behind the limitless charm of Emraan Hashmi and how he dealt with his son's illness. Honest, personal, bold and heart-warming, *The Kiss of Life* is about an actor and a father's trials and triumphs.

Emerging Eco-friendly Green Technologies for Wastewater Treatment Ram Naresh Bharagava 2020-03-04 As we know, rapid industrialization is a serious concern in the context of a healthy environment and public health due to the generation of huge volumes of toxic wastewater. Although various physico-chemical and biological approaches are available for the treatment of this wastewater, many of them are not effective. Now, there a number of emerging ecofriendly, cost-effective approaches utilizing microorganisms (bacterial/fungi/algae), green plants or their enzymes, and constructed wetland treatment systems in the treatment of wastewaters containing pollutants such as endocrine disrupting chemicals, toxic metals, pesticides, dyes, petroleum hydrocarbons and phenolic compounds. This book provides a much-needed, comprehensive overview of the various types of wastewater and their ecotoxicological effects on the environment, humans, animals and plants as well as various emerging and eco-friendly approaches for their treatment. It provides insights into the ecological problems and challenges in the treatment and management of wastewaters generated by various sources.

Dandelion Gabbie Hanna 2020-10-13 New York Times bestselling author Gabbie Hanna delivers everything from curious musings to gut-wrenching confessionals in her long-awaited sophomore collection of illustrated poetry. This edition includes a collection of uncomfortably honest personal essays about Gabbie's childhood and relationships. In this visually thrilling installment of the inner-workings of Gabbie's mind, we're taken on a journey of self-loathing, self-reflection, and ultimately, self-acceptance through deeply metaphorical imagery, chilling twists on child-like rhymes, and popular turns of phrase turned on their heads. Through raw, provocative tidbits, Dandelion explores what it means to struggle with a declining mental health in a world where mental health is both stigmatized and trivialized. The poems range from topics of rage and despair to downright silliness, so if you don't know whether to laugh or cry, just laugh until you cry.

Microbial Metabolism of Xenobiotic Compounds Pankaj Kumar Arora 2019-06-27 Xenobiotic compounds including pesticides, nitrophenols, pyridine, polycyclic aromatic compounds and polychlorinated biphenyls are widely spread in environment due to anthropogenic activities. Most of them are highly toxic to living beings due to their mutagenic and carcinogenic properties. Therefore, the removal of these compounds from environment is an essential step for environmental sustainability. Microbial remediation has emerged as an effective technology for degradation of these xenobiotic compounds as microorganisms have unique ability to utilize these compounds as their sole source of carbon and energy. The primary goal of this book is to provide detailed information of microbial degradation of many xenobiotic compounds in various

microorganisms.

Mechanisms Underlying Host-Microbiome Interactions in Pathophysiology of Human Diseases Jun Sun

2018-01-26 Only recently have we begun to appreciate the role of microbiome in health and disease.

Environmental factors and change of life style including diet significantly shape human microbiome that in turn appears to modify gut barrier function affecting nutrient & electrolyte absorption and inflammation. Approaches that can reverse the gut dysbiosis represent as reasonable and novel strategies for restoring the balance between host and microbes. In the book, we offer summary and discussion on the advances in understanding of pathophysiological mechanisms of microbial host interactions in human diseases. We will not only discuss intestinal bacterial community, but also viruses, fungi and oral microbiome. Microbiome studies will facilitate diagnosis, functional studies, drug development and personalized medicine. Thus, this book will further highlight the microbiome in the context of health and disease, focusing on mechanistic concepts that underlie the complex relationships between host and microbes.

Sufi Stories from Around the World Debjani Chatterjee 1999-10-01

Imagining Lahore Haroon Khalid 2018 An anecdotal travelogue about Lahore - which begins in the present and travels through time to the mythological origins of the city attributed to Ram's son, Lav. Through the city's present - its people, communities, monuments, parks and institutions - the author paints a vivid picture of the city's past. From its emergence under Mahmud Ghaznavi to the Mughal centuries where several succession intrigues unfolded on its soil, its recasting as the capital of Maharaja Ranjit Singh's Khalsa Empire, the role it played in preserving the British Raj, to acting as an incubator of revolutionaries and people's movements, Lahore influenced the subcontinent's political trajectory time and again. Today, too, Lahore often determines which way the wind will blow on Pakistan's political landscape. The Lahore Resolution of 1940, which laid the blueprint for the creation of the country, was signed here. The city saw the birth of Zulfikar Ali Bhutto's PPP, as well as his downfall. It was to Lahore that Benazir Bhutto returned to combat a military dictator, and where Imran Khan heralded his arrival as a main contender on the political battlefield. As the capital of Punjab, Lahore continues to cast a long shadow over the federal state.

Personalized Food Intervention and Therapy for Autism Spectrum Disorder Management M. Mohamed Essa 2020-01-31 The book focuses on implications of traditional and processed foods for autism spectrum disorder (ASD) intervention and management. Numerous phytonutrients and pharmacologically active compounds in edible natural products and diet could influence and offer protection to neuronal dysfunction that occurs due to ASD. The neuroprotective effects of various fruits, vegetables, nuts and seeds phytochemicals, and other

natural bioactive ingredients against ASD and related conditions are discussed. Topics such as the possible neuroprotective mechanism of action of these foods and the therapeutic role of antioxidants in relation to ASD are addressed. This book also highlights the scope of using anti-inflammatory agents and antioxidants to promote neurogenesis and improve other symptoms in ASD. It emphasizes personalized nutritional approaches with dietary management of neurodevelopmental disorders/ASD cases. Information in this book is relevant to researchers in the field of complementary and alternative medicine, nutraceuticals, neuroscience, agriculture, nutrition, and food science. This volume is beneficial to students of varying levels, and across multiple disciplines.

Conversations with Mani Ratnam Baradwaj Rangan 2013-12-10 Mani Ratnam's *Nayakan* is among Time's '100 Best Movies Ever'; and *Roja* launched A.R. Rahman. This book, unique to Indian cinema, illuminates the genius of the man behind these and eighteen other masterly films. For the first time ever, Mani Ratnam opens up here, to Baradwaj Rangan, about his art, as well as his life before films. In these freewheeling conversations—candid, witty, pensive, and sometimes combative—many aspects of his films are explored. Ratnam elaborates in a personal vein on his choice of themes, from the knottiness in urban relationships (*Agni Natchatiram*) to the rents in the national fabric (*Bombay*); his directing of children (*Anjali*); his artful use of songs; his innovative use of lighting; as also his making of films in Hindi and other languages. There are fond recollections of collaborations with stalwarts like Balu Mahendra, P.C. Sreeram, Thotta Tharrani and Gulzar, among many others. And delectable behind-the-scenes stories—from the contrasting working styles of the legendary composer Ilayaraja and Rahman to the unexpected dimensions Kamal Haasan brought to the filming of *Nayakan* to what *Raavan* was like when originally conceived. In short, like Mani Ratnam's films, *Conversations* surprises, entertains and stimulates. With Rangan's personal and impassioned introduction setting the Tamil and national context of the films, and with posters, script pages and numerous stills, this book is a sumptuous treat for serious lovers of cinema as well as the casual moviegoer looking for a peek behind the process.

Don't Call It Bollywood Margaret E. Redlich 2016-05-30 Do you think "Bollywood" is just flashy dance sequences and unbelievable plots? Think again Explore the rich history and artistic traditions of Hindi film in

this engaging book, which intersperses stories from the author's path to dedicated fandom with analysis of the films and their context. If your only exposure to Hindi films is action sequences that defy the laws of physics and dance sequences full of colorful, swirling silk, this book will open your eyes to a rich and rewarding art form. If you're already a fan, it will enrich your appreciation of your favorite film moments by placing them in their larger context.

Five Point Someone Chetan Bhagat 2004 Set in IIT, in the early '90s, *Five Point Someone* portrays the lives of the protagonist Hari and his two friends Ryan and Alok. The Namesake Jhumpa Lahiri 2006-12-01 Original essays and glorious photography, stunningly designed in this unique moviebook from the director of *Monsoon Wedding* and *Vanity Fair*—a Fox Searchlight release. In her essay "Writing and Film," the Pulitzer Prize-winning novelist Jhumpa Lahiri writes about the experience of seeing her novel "transposed" from paper to film. "Its essence remains, but it inhabits a different realm and must, like a transposed piece of music, conform to a different set of rules. . . . To have someone as devoted and as gifted as Mira reinvent my novel . . . has been a humbling and thrilling passage." Mira Nair's essay, "Photographs as Inspiration," begins with the provocative comment: "If it weren't for photography, I wouldn't be a filmmaker." She explains how photographs help her crystallize the visual style of her films and which particular photos influenced her vision for *The Namesake*. These two essays, written exclusively for this *Newmarket Pictorial Moviebook*, introduce an amazing panoply of images of people and places shot mainly in New York and Calcutta during the making of the movie, accented by excerpts from Lahiri's bestselling novel. Six Indian and American photographers' works are represented. Brilliantly illuminating the immigrant experience and the tangled ties between generations, *The Namesake* tells the story of the Ganguli family, whose move from Calcutta to New York evokes a lifelong balancing act to adapt to a new world while remembering the old. The couple's firstborn, Gogol, and sister Sonia grow up amid these divided loyalties, struggling to find their own identity without losing their heritage. *Kal Penn* (Harold & Kumar Go to White Castle, *Superman Returns*) stars as Gogol.
